Hi, I'm a native New Yorker living on Long Island with my husband of 34 years and have 3 children. I have been a professional dog groomer for 37 years owning my own business in Manhattan for many years and currently doing mobile grooming. I purchased my first bulldog in 1987 from Marge Deyorra, Dey Del Bulldogs. He was bought as a pet but Marge encouraged me to show him. He didn't get his championship but did get his obedience title and was a registered therapy dog. I've also been a puppy nanny since the 1990's raising at least 100 litters.

I started bulldog rescue on Long Island back in the 1980's. I currently have 9 home bred Champions. One National Sweepstakes Winner, Reserve Winners Bitch at Nationals, Best of Opposite at Westminster and Eukanuba and a Best Breed by Exhibitor at Eukanuba. I love all animals but there's nothing like a Bulldog!
